

# SIDEWINDER XTR

Introducing the New Way™ Sidewinder XTR™. Join an all-new movement where efficiency is always at your side. New Way™ has squeezed the convenience of automated loading onto an ultra-tough, overbuilt loader. Get ready to take a whole new grip on the industry with the Sidewinder XTR™.

## SIDEWINDER XTR PREMIUM NEW WAY FEATURES

- 1 Huge Compaction Rates:** The XTR has the highest ram penetration in the industry, increasing your capabilities out on the road. Available in 20, 24, 27 and 31<sup>y</sup> capacities.
- 2 10 Gauge Hardox Construction:** The Hardox body, floor, and tailgate are tough as nails, providing superior durability and product life.
- 3 Optional Pre-Crusher:** Gain even more compaction power with the optional pre-crusher in your hopper, giving your operation the edge on speed and capacity.
- 4 Powerful Arm Design:** Boasting a 750 lb. capacity at its maximum reach of 12 feet, our arm unit has the highest lift capacity in the industry. And its 8-second cycle time keeps you moving.
- 5 3 Camera/DVR Route Recording System:** Our state-of-the-art video system puts 3 digital cameras and a DVR unit to work, helping you keep an eye on the safety of your team... and your bottom line.
- 6 Ergonomically Designed Control Panel:** We put the driver in full command with our thoughtfully-designed control panel, increasing comfort and efficiency for your valued crew members.
- 7 Large Dual Clean-Out Doors:** Our oversized 12" x 16" clean-out doors provide easy accessibility on both sides of the vehicle, so you can clear the mess and move on.
- 8 Heavy-Duty Gripper:** Centered reach design allows in-line lifting, unlike some competitors' units which use a weaker twisting arm structure.
- 9 Smooth Body Design:** Not only is our new body stronger than ever, its striking good looks are a great backdrop for your company's logo.
- 10 Positive Automatic Tailgate Lock:** Safety is always in the front of your mind, so we even built features into the back of the truck. While in use, the tailgate automatically locks to help prevent dangerous situations.
